

Adhesive Absorbent Mat

BradyID.com/SPC

Adhere and
remove from
your walkways
with ease

Brady SPC's Adhesive Mat is a great addition to your absorbent program. The tacky underside adheres to any surface, keeping the absorbent in place to greatly reduce the likelihood of slips, trips and falls. When it's time to discard, the absorbent is easily removed without leaving any residue on your floor. Use your Adhesive Mat in walkways and aisles, near equipment and as a replacement for traditional rugs.

Multiple Functions

- All-purpose mat designed for general industrial applications
- Perfect for tool cribs, while adhesive rolls provide walkway protection
- Gray color masks drips and spills, encouraging longer use
