

B-338 and B-388 tags for aerospace cable identification

Easily identify thick cables and cable bundles

Our B-338 and B-388 rigid tags can be used to easily identify thick cables, cable bundles and any cable post termination. The rigid, non-adhesive cable tags are easy to apply with cable ties and come in 2 sizes: 51.44 mm x 10.42 mm and 50.80 mm x 20.58 mm.

B-338:

- non-adhesive, rigid polyvinylidene fluoride cable tag
- easy to apply to thick cables, cable bundles or any cable post termination with cable ties
- meets RW-2513 standard on industrial and military fluids resistance, flame retardant and abrasion resistant
- resists temperatures between -55°C to 200°C
- great tear resistance
- low outgassing value

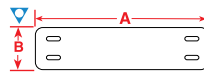

Diagram	Order Reference	Material	Colour	Label Width A (mm)	Label Height B (mm)	Vertical Repeat (mm)	Labels per Package	Ribbon Series
	HSCMHT-800-2-WT	Polyvinylidene Fluoride	White	50.80	20.58	25.40	1000	R6000HF
	HSCMHT-410-2-WT	Polyvinylidene Fluoride	White	51.44	10.42	15.50	1500	R6000HF

B-388:

- non-adhesive, rigid polyolefin cable tag
- easy to apply to thick cables, cable bundles or any cable post termination with cable ties
- meets RW-2513 standard on industrial and military fluids resistance, flame retardant and abrasion resistant
- resist temperatures between -55°C and 135°C

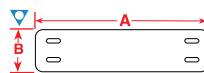

Diagram	Order Reference	Material	Colour	Label Width A (mm)	Label Height B (mm)	Vertical Repeat (mm)	Labels per Package	Ribbon Series
	HSCMST-800-2-WT	Polyolefin	White	50.80	20.58	25.40	1000	R6000HF; R6600
	HSCMST-800-2-YL	Polyolefin	Yellow	50.80	20.58	25.40	1000	R6000HF; R6600
	HSCMST-410-2-WT	Polyolefin	White	51.44	10.42	15.50	1500	R6000HF; R6600
	HSCMST-410-2-YL	Polyolefin	Yellow	51.44	10.42	15.50	1500	R6000HF; R6600

Both B-338 and B-388 tags will be recognised by Brady Workstation apps when sitting in a Brady printer. This will enable customers to quickly add barcodes, serial numbers, data from ERP systems and images to the tags before printing them at your location with the Brady-Printer i5100 or BradyPrinter i7100 Industrial Label Printer. Both tags can also be ordered fully or partially preprinted.
