

BBP™11 Ribbon Color Coding Scheme:

The cores of the ribbons for the BBP™11 will be color coded according to the below chart. This allows for easy identification of the ribbon once it is removed from the packaging.

Ribbon SKU	Core Color
R4313	Red
R4913	Blue
R6013	Black
R6213	Plain colored
R6413	Dark Brown
R6613	Orange

* R4413-WT and R4513-SV will not be colored coded, as you can already distinguish these ribbons from others for the BBP11.

Example of a color coded ribbon:
