WHEN PERFORMANCE MATTERS MOST™

BBP85 Label Printer

Get your message noticed

The BBP85 Sign and Label Printer is a thermal transfer 300 dpi benchtop printer to create bold, multi-coloured custom visuals up to 254 mm wide. It features a large touchscreen and intuitive, easy to use interface, allowing anyone to create signs quickly and easily. The printer has a broad selection of material options, including vinyl, polyester, reflective, glow-in-the-dark and pre-printed sign headers. With true "walk up and print" ease of use, instantly create high quality, multi-coloured eye-catching visuals.

Big, bold and better than ever. Get your message noticed!

Big Output. Little Fuss
- Unmistakably large visuals up to 254 mm wide
- Just walk up and print… it really is that easy!
- Simple touch-screen interface for stand-alone use, or print from your PC with Brady Workstation software
- Timesaving label design apps to create pipe markers, safety signs, right-to-know labels, and more!
- USB port for importing files, fonts and graphics

Bold Multi-Colour Printing
- Highly durable multi-colour thermal transfer printing
- Print common sign formats even faster using pre-printed sign header supplies
- Add more label creation flexibility with Brady Workstation software
- Ethernet port for easy printer networking

Best-of-the-Best Materials
Brady's sign and label materials withstand harsh conditions, stay stuck on the most challenging surfaces and they simply last longer than other materials on the market. With the BBP85 printer, you can choose from over one hundred supply options, including:

- Huge selection of 101.60 mm wide to 254 mm wide industrial grade outdoor materials
- Specialty materials including Reflective and Glow-in-the-Dark
- Pre-printed sign header supplies for CLP (GHS), arc flash and OSHA or ANSI safety signs, which means only one print pass!

Choose from a variety of heavy-duty, smear-proof ribbons, including single colour and multi-colour panelled ribbons.

All materials are uniquely designed with memory cells that communicate information to the BBP85 Sign and Label Printer.
