

## Jobsite durable, and dependable every day

### BMP<sup>®</sup>41 Label Printer

Want added durability in an industrial design? Get the **BMP<sup>®</sup>41 Label Printer**. Reliable for your most detailed work and rugged enough to use every day, it's a must-have for datacom and electrical professionals. Create and print labels on-the-spot with its QWERTY keypad, or in batches at the office with Brady Workstation software. This printer can help you power through work faster, too, with its programmed pre-set label options for wire marking, flagging and patch panel ID. The BMP41 is ready for it all, every day. It's that dependable.

- **Speed** — Prints 1.3 inches per second at 300 dpi
- **Durability** — Features rubber grips, a long-life rechargeable NiMH battery and withstands 4' drops
- **Flexibility** — Prints labels up to 1 in. wide (continuous and pre-sized) from a cartridge
- **Convenience** — Window on printer lets you view 100+ different installed cartridges

## Printer and accessory part numbers
