See safety data sheet for further details regarding safe use of this product.

Extremely flammable gas. Contains gas under pressure; may explode if heated. Causes skin irritation. Fatal if inhaled. May cause respiratory irritation. Very toxic to aquatic life. Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Do not breathe gas/vapours. Avoid release to the environment. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses. If eye irritation persists, seek medical attention. Leaking gas fire: Do not extinguish, unless leak can be stopped safely. Eliminate all ignition sources if safe to do so. Store in a well-ventilated place. Store locked up.
