

GENERAL PRODUCT SPECIFICATION

Item No.	DJR127
----------	--------

Date	29-3-2022	Replaces	16-6-2017	No. Pages	12
------	-----------	----------	-----------	-----------	----

Product Description:

Style	Wall mounted roll dispenser 50 cm wide
Components	1 Spill roll dispenser DJR127
Color	Yellow

Intended Application	Spill roll dispenser, Max dia roll = 54cm
----------------------	---

Containment Capacity	NA
Dynamic Load Capacity	NA

Packaging Description:

Package configuration	N/A	Pkg. Weight	1.5 kg
Items per Package	1 unit	Pkg. Dimensions	61 cm x 16 cm x 12 cm (H)
Container type	cartonage		

Physical Properties:

<u>Parameter</u>	<u>SPC Test Method</u>	<u>Units</u>	<u>Nominal</u>	<u>(+/-)Tolerance</u>
Color	Visual	-----		Per standard

The above properties are “nominal” values used for **PROCESS CONTROL** when the product is produced and/or inspected. Performance “nominals” may vary depending upon the specific application, and/or the environment being applied, stored, or shipped.
