

High Visibility Barrier Backed Safety Mat

www.bradyeurope.com

**Absorbency,
durability
and signage
all in one**

Brady SPC's High Visibility Barrier Backed Safety Mat combines absorbency, durability and safety signage into one versatile product. Designed as an all-purpose absorbent for industrial applications, this mat is the perfect option for high-traffic walkways and foot paths. The barrier backing resists tearing and helps keep the mat in place while the bright colour and printed message bring attention to areas where there is a high risk of slips, trips and falls.

Multiple Functions

- Highly absorbent all-purpose mat
- Non-skid, barrier-backed, 3-ply construction with spunbond coverstock provides the ultimate durability
- Colour-coded for safety and easy separation of hazardous waste
- Product will not react with aggressive fluids

Order Reference	Article No.	Description	Total Qty/Pack	Absorption Capacity (Ltrs)
