

# Printing Lockout Tags and Labels

Setting up your Brady BBP33 and i3300 Printers to print Lockout Tags and Labels

Technical Support: 800-443-0495

In order to print lockout tags from Link360 on the [BBP33](#) or the [i3300](#) printers, users will be using the Brady Print Service app. This is a custom Windows application that will be launched from Link360 when a user tries to print their tags with either of those 2 printers.

This document covers permissions and warning messages that users may encounter when installing and launching this Brady Print Service app on a computer.

## Installation Permissions

Users will need permission to be able to install and update software on their computer. If their IT department has policies preventing applications from being installed or run, they will need to work with them to get the proper permissions setup for Brady Print Service. The following is needed:

- Allow BradyPrintServiceSetup.exe to be installed
- Allow BradyPrintService.exe (Product Name: BradyPrintService) to run without elevating privileges

## Required Label Part Numbers

Brady Part Numbers - Label Stock

- [B30-255-551-ANSIDA](#)
- [B30-255-551-OSHADA](#)

Brady Part Numbers - Ribbon

- [Ribbon Series R10000](#)

# Printing Lockout Tags and Labels

Setting up your Brady BBP33 and i3300 Printers to print Lockout Tags and Labels

[Technical Support: 800-443-0495](tel:800-443-0495)

5. Select the correct printer from the printer type drop down menu

A screenshot of the Brady LINK360 web interface. The top navigation bar includes the Brady logo, the LINK360 logo, and a user greeting "Welcome Chris". Below this is a horizontal menu with tabs: Home, Find/Create Files, Setup & Admin, Lockout/Tagout, Confined Space, and Reliability. The "Lockout/Tagout" tab is active. The main content area is titled "Lockout Tags & Energy Source Labels - Brady LINK360" and includes a "Help" link. A sub-header reads "Generate the Lockout Tags and Energy Source Labels for procedure: Lockout Boiler 1 .". There are two tabs: "Lockout Tags" and "Energy Source Labels", with the latter being selected. A "Back to Procedure" button is in the top right. On the left, a "Printer Type" dropdown menu is open, showing options: "Brady BBP33", "Brady i3300", "GlobalMark", and "Other Printer". The "Brady BBP33" option is circled in red. The main area on the right says "Select your printer type to view options".

10. Save BradyPrintServiceSetup.exe to an easy to find location

- Warning and Confirmation messages may display based on your OS and Web Browser. See Installation Warning Messages below for more details.

The screenshot shows the Brady LINK360 web application interface. At the top, there is a navigation bar with the Brady logo, the LINK360 logo, and a user greeting 'Welcome Chris'. Below the navigation bar is a menu with tabs: Home, Find/Create Files, Setup & Admin, Lockout/Tagout, Confined Space, and Reliability. A 'Help' button is also visible. The main content area is titled 'Install Brady Print Service' and contains three numbered steps:

- 1. Download the File**  
The download should start automatically. If it has not, please [restart the download](#).
- 2. Open the BradyPrintServiceSetup.exe file to install the application**  
Depending on your web browser, the downloaded file may be listed at the bottom of the screen or you may receive a prompt to Save or Run the file.
- 3. Return to the print request page**  
After installation, return to your previous tab and click the Preview & Print button to restart the print request.

Below the instructions, there is a section titled 'If you are experiencing issues, contact the support team.' which provides contact information for the US and Europe support teams.

# Printing Lockout Tags and Labels

Setting up your Brady BBP33 and i3300 Printers to print Lockout Tags and Labels

Technical Support: 800-443-0495

11. Run newly saves BradyPrintServiceSetup.exe
12. Close the Brady Print Service confirmation screen (May contain Errors if issue encountered during setup)
13. Return to the “Lockout Tags & Energy Source Labels” Tab
14. Select “Preview & Print Tags”

The screenshot shows the Brady LINK360 web interface. At the top, there's a navigation bar with tabs: Home, Find/Create Files, Setup & Admin, Lockout/Tagout, Confined Space, and Reliability. The 'Lockout/Tagout' tab is selected. Below the navigation bar, the page title is 'Lockout Tags & Energy Source Labels - Brady LINK360'. A sub-header says 'Generate the Lockout Tags and Energy Source Labels for procedure: Lockout Boiler 1'. There are two tabs: 'Lockout Tags' and 'Energy Source Labels'. The 'Energy Source Labels' tab is active. On the left, there's a form for 'Lockout Information' with fields for 'Date Locked Out' (4/18/2019), 'Time Locked Out' (10:21 AM), 'Locked Out By' (Johnny Safety), 'Remarks', and 'Expected Completion'. Below this form is a button labeled 'Preview & Print Tags', which is circled in red. A note below the button says 'Preview will open in a new window'. On the right, there's a section titled 'Select a Template' with the instruction 'Select the layout that matches your label stock'. Underneath, there are two template options: 'ANSI Danger Header' (Part #: 830-255-551-ANSIDA, Size: 3.25" x 5.75") and 'OSHA Danger Header' (Part #: 830-255-551-OSHADA, Size: 3.25" x 5.75").

- Depending on your browser, you may be prompted to open the Brady Print Service app. Follow the browser prompts to open “BradyPrintService”. (More Details for these prompts in the FAQ Section.)

## FAQ and Troubleshooting

### Web Browser Switching App Warning Message

**Issue:** Each browser has a different prompt when the Brady Print Service app opens and will appear every time the user tries to print.

**Solution:** *There is a checkbox on each one to not show the prompt every time, but if the user does not check that, it will show each time they Preview & Print.*

### Internet Explorer

### Firefox

[Technical Support: 800-443-0495](tel:800-443-0495)

## Chrome

## Edge

## Internet Explorer Pop Up Blocker

**Issue:** Internet Explorer pop up blocker shows the following when trying to launch the Brady Print Service app. This only seems to happen in this browser/OS combination.

Revised: 4/18/2019 by: R. Sampson

# Printing Lockout Tags and Labels

Setting up your Brady BBP33 and i3300 Printers to print Lockout Tags and Labels

Technical Support: 800-443-0495

**Solution:** User has to allow the pop up to preview & print

## Brady Print Service Cancel Error

**Issue:** If a user launches the Brady Print Service app by clicking Preview & Print, and they cancel, they will be presented with this error message.

**Solution:** User can just click OK.

## Network Printer

Currently this feature does not support network printing.

## Windows 10 .NET Framework Missing

**Issue:** If the .NET Framework installed on the user's computer is not at least version 4.7.1, it will require the user to update to this version before it can launch the Brady Print Service app.

**Solution:** Click Yes, and follow the prompts to install the v4.7.1 .NET Framework and then try to launch the Brady Print Service app again.
