

## Lockout Tagout Shadow Boards

[www.bradyeurope.com](http://www.bradyeurope.com)

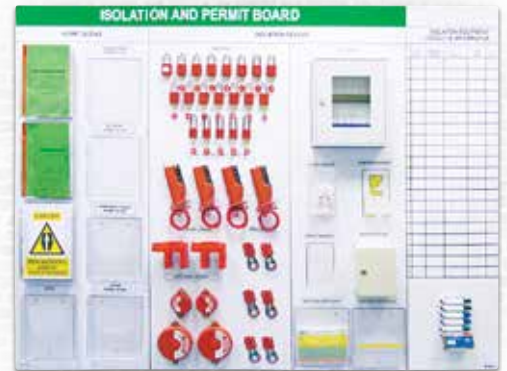

Strengthen your lockout tagout programme thanks to a dedicated shadow board. Display your devices, padlocks, documents to make them clearly visible and easy to choose for the users.

Effective visual management and real time communication is vital for safe control of work (CoW) and achieving objectives set by 5S and LEAN.

### Improve productivity with durable, visually organised shadow boards

- Eliminate wasted time looking for tools, devices & documents
- Clean, crisp, professional appearance
- High durability

Shadow boards eliminate wasted down-time searching for the right tool or equipment. Providing a clean, crisp visually prominent storage board for tools, Brady's shadow boards will improve productivity and visual standardisation within the workplace.

Equipment, tools and supplies may be "shadowed" and stored onto the Shadow Board providing a more organised and efficient work environment. Company-specific artwork, themes, department identification may also be applied, creating a standard that can be shared throughout the facility or across multiple facilities. It also serves as a training aid and visual confirmation of your lean / 5S management efforts.

### Features & Benefits

- Durable clear Plexiglass (Sub-surface graphics) or laminated white foam PVC
- Clean, crisp protected graphics that will not scratch off from frequent tool use
- Perforated to place each necessary fixing
- Customised hole positions
- Fixings optional for mounting flexibility
- Assist control of permit to work

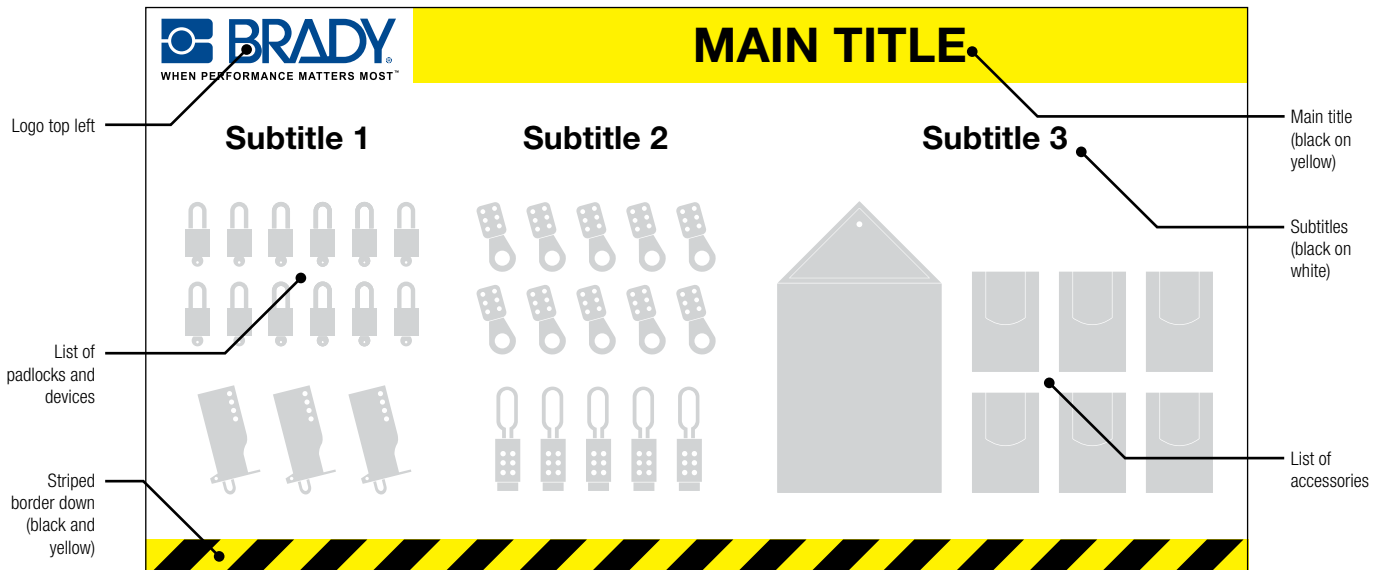

## How to order your LOTO Shadow Boards

You can create your own shadow board. Draw what you have in mind. Add padlocks, locking devices and accessories. Choose the material, layout, border and corners for your shadow board. Finally, add your own text and logo.

As each board is unique, pricing will be on request, based on information provided to give a size estimation of the board.
