

## ABOUT BRADY

Brady Corporation is an international manufacturer and marketer of complete solutions that identify and protect premises, products and people. Brady's products help customers increase safety, security, productivity and performance and include high-performance labels, signs, safety devices, printing systems and software and precision die-cut materials.

Founded in 1914, the company has a diverse customer base in electronics, telecommunications, manufacturing, electrical, construction, education, medical and a variety of other industries. Brady is headquartered in Milwaukee, Wisconsin, and as of July 31, 2013 employed approximately 7400 people in its worldwide businesses.

Brady stock trades on the New York Stock Exchange under the symbol BRC. More information is available on the internet at [www.bradycorp.com](http://www.bradycorp.com).
