# PaintStripe™ Floor Marking Stencil

Quickly Apply Clean, Straight Lines on Industrial Floors

When you need professional quality floor marking to create a safe, organized and productive work environment, PaintStripe Floor Marking Stencils are a convenient and precise solution. These easy-to-apply stencil rolls align to your desired layout, masking the line pattern with a crisp, clean edge.

▶ **Faster application, exact measurement & precise control with:**

■ Continuous and dashed line formats, with line widths of 2, 3 or 4 inches

■ Two adhesive types to securely mask edges and provide easy removal on concrete and other floor surfaces

■ Printed cut-lines and a repeating 12-inch ruler facilitate accurate length measurement and rapid alignment of 90° corners

▶ **Ideal applications include:**

■ Areas where paint is preferred for line-marking, such as areas with aggressive or abrasive traffic conditions, or facilities that are unable to use aisle marking tapes due to wet floors, washdown conditions, floor-cleaning protocols or chemical exposures.

■ Aisle marking, Lean/5S initiatives, fire safety, high-traffic work areas, shipping and receiving docks, and area designation for finished goods, material waste, work-in-progress, raw materials, storage locations and more

PaintStripe™ Stencil Options for Your Floor-Marking Needs

The following lower adhesion PaintStripe stencils (B-518) are ideal for clean, polished floors.

Catalog Number	Description
