

## High Visibility Safety Mat

[www.bradyeurope.com](http://www.bradyeurope.com)

Safety sign  
and absorbent  
all in one.

Brady SPC High Visibility Safety Mat is best in industrial areas where greater durability is needed and there is a high risk of slips, trips and falls. It is the ideal absorbent for all purpose fluid pick up and hazardous chemicals.

### Multiple Functions

- High visibility safety yellow and safety pictogram
- Available in multiple size rolls and pads
- Durable SMM construction (SMM) - 3-ply construction
- Highly absorbent for both all purpose and hazardous chemical applications
- Low lint
