

## Safety Lock and Tag Carrier

### Quick and easy transportation of padlocks, hasps and tags

When you need a convenient, organized way to transport multiple lockout tagout devices, Brady's Safety Lock and Tag Carrier is your solution. This carrier can hold up to 12 safety padlocks and keys, as well as lockout hasps and lockout procedure tags.

To help secure energy isolation points throughout your facility, the carrier offers:

- **Convenient Transport:** With a high capacity, capable of holding 12 padlocks, this carrier allows users to hold all necessary supplies for equipment lockout in one place.
- **Improved Organization:** Lockout and tag carrier helps to reduce the amount of lost or misplaced padlocks and hasps, while offering an offset design for flush wall mounting, equipment mounting or hanging on a belt clip.
- **Improved Safety:** With added lockout convenience, users can ensure all lockout locations are addressed and secured.
