

Safety Lock & Tag Carrier

Carry your locks and tags with great ease!

www.bradyeurope.com

Efficiently lock two carriers back to back to hold a total of 24 padlocks

Available in 4 colours

Provided with three lockout procedure tags

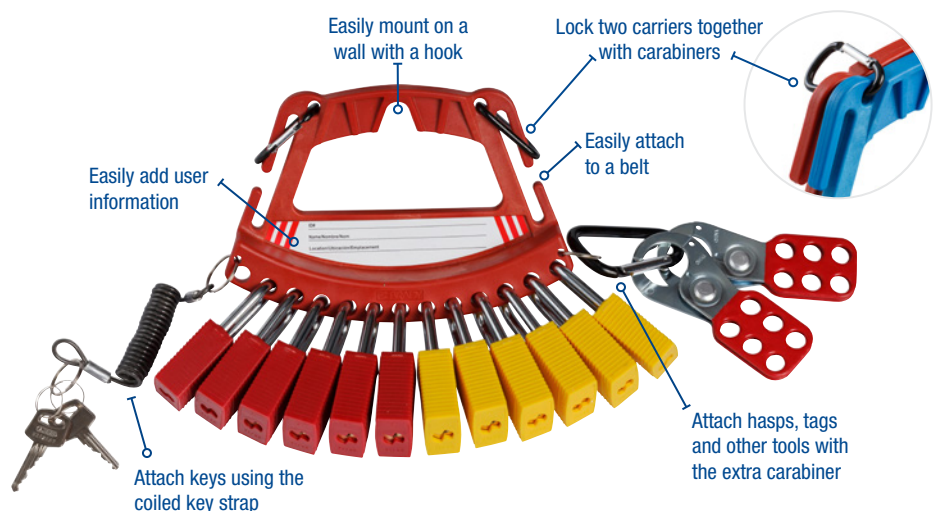

The Safety Lock & Tag Carrier is designed to hold up to 12 safety padlocks and keys, as well as lockout hasps and procedure tags.

Improve Lockout/Tagout efficiency

The Safety Lock & Tag Carrier helps improve workplace safety by enabling workers to keep the necessary devices on hand to quickly isolate energy control points before servicing machinery. This carrier solution offers customers a convenient and organised way to transport and store Lockout/Tagout tools, and to avoid misplacing locks and hasps.

Unique and highly practical design:

- holds up to 12 padlocks
- includes a key strap and carabiners
- can easily be clipped back to back to carry 24 padlocks
- can easily be attached on a belt
- can easily be mounted on a wall
- available in 4 colours

Safety lock and tag carrier and kit options

The Safety Lock & Tag Carrier can be purchased separately, and as part of a kit that includes more Lockout/Tagout tools & accessories.

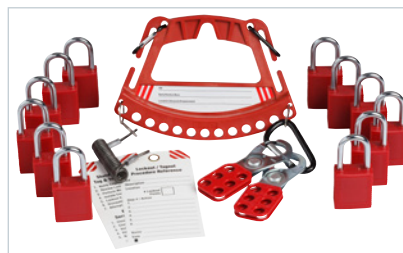

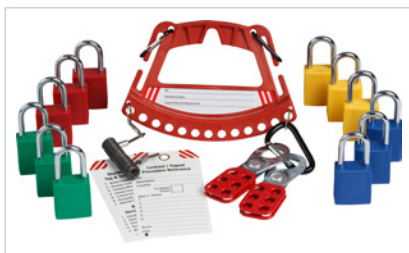

Carriers include:

- Slots for 12 safety padlocks
- Two small and one large carabiner
- Coiled key strap for holding
- Product labels in English, Spanish and French
- Three lockout procedure tags (English only)

Kits include:

- Red carrier with above carrier features
- Two safety hasps
- Twelve padlocks with different keyed options available:
 - Six red keyed alike and six yellow keyed alike locks
 - Three keyed alike locks of each colour: red, yellow, blue, green
 - Twelve red keyed different locks
