

Keep high-traffic areas identified with ToughStripe® Max floor marking tape

Add another option to make your facility safe and lean with ToughStripe Max, a new expansion to our floor marking tape family. This tape offers improved durability in high-traffic areas where sliding or dragging forces often occur, while maintaining the adhesive capabilities you've come to expect from our ToughStripe floor marking line. With this new floor marking tape, you can rely on:

- Greater thickness for resistance to cuts and scrapes in high-traffic areas
- Durability in forklift and industrial vehicle traffic areas
- Aggressive adhesive performance when you need it, easy removal when you don't
- Tapered edges to minimize "pick points" and traffic bumps
- Easy installation with minimal tools

Get exactly what works for your application, durability needs and budget. Use this side-by-side chart to pick your best floor marking option:

Solution	Key Features	Applications
