BRADY

Cost Savings Calculator

Answer these four questions to determine your savings

What is your hourly labour cost?

How many labels do you apply per month?

How many seconds per label do you expect to save using Brady automation versus hand applying?

What is the price difference per label of your current label vs. a Brady automation label?

Your annual savings

Labour cost saving per applied label

Total labour cost savings annually

Total number of hours saved annually

Total savings minus cost of unit

(MSRP €13950,00)
