Industrial Label Printer with Portability

THE FIRST 4" LABEL PRINTER WITHOUT CORDS OR LIMITS

0.25" TO 4" WIDE LABELS

ALL-DAY BATTERY

CARRYING HANDLE

Your print station is now wherever the work happens

Print everything you need, where you need it

Get going with these powerful features:

- ► **Durable design:** Withstands general industrial wear and tear

- ► **Up to 4" wide labels:** Delivers more labeling possibilities

- ► **Swappable battery:** Charge one while the other is in use (spare sold separately)

- ► **Big 7" touchscreen:** Color, icons and clear instructions for fast navigation

- ► **Fill and Print templates:** Walk up, fill out and print templates directly on screen

- ► **LabelSense™ technology:** Automates setup and calibration

- ► **Fast-charging battery:** 0% to 100% charged in only 3.5 hours

- ► **Ergonomic handle:** Balanced grip makes transportation effortless

PACK THE POWER.
FORGET THE CORDS.

No more wasted trips to print stations and trailers

Up to 5,000 labels on a single battery charge

Effortless transport. Seamless connection. Zero effort.
