European Batteries Directive Statement for BradyPrinter i5300 Industrial Label Printer:

### **Batteries Directive 2006/66/EC:**

This product contains a lithium coin battery. The crossed-out wheeled bin is used to indicate “separate collection” for all batteries and accumulators in accordance with European Directive 2006/66/EC. Users of batteries must not dispose of batteries as unsorted municipal waste. This Directive determines the framework for return and recycling of used batteries and accumulators that are to be collected separately and recycled at end of life. Dispose of the battery according to your local regulations.

### **Notice to Recyclers – Instructions to remove the coin battery:**

1. Disassemble the printer and locate the lithium cell battery located on the main circuit board
2. To remove, slide the battery from the coin cell retainer, remove the battery from the board and dispose of properly.
