

Financial Analyst

Brady Corporation (<http://www.bradycorp.com>) is an international manufacturer and marketer of complete solutions that identify and protect premises, products and people. Its products help customers increase safety, security, productivity and performance and include high-performance labels and signs, printing systems and software, and safety devices. Founded in 1914 Brady is headquartered in Milwaukee and employs more than 5500 people world-wide.

To strengthen our European Finance Team we are currently looking for a Financial Analyst. This position will be based in Zele.

About the job

The Financial Analyst will be controlling the P&L of a selected number of countries and/or functions within the IDS EMEA organization.

This encompasses the following main assignments:

- Budget, forecast and analyze Revenue, Gross Profit Margin and selling cost
- Analysis of historical and projected results and trends
- Assessing the financial impact of activities/initiatives within the region (e.g., budget and related initiatives, benchmarking, etc.)
- Providing value-added analytical support to business owners and the regional management team on a routine and ad hoc basis
- Set-up and calculation of commission schemes
- Supporting (Global and European) projects, including FP&A process improvements
- Monthly closing: ensure a true and fair view of the financials
- Reporting: construct and maintain accurate reports with a strong drive towards report automation
- Provide support to internal and external audits

About you

- Master Degree in the field of Finance and/or Business Administration
- 2 to 3 years of experience preferably in a similar role.
- High potential with a strong desire to learn and excel
- Strong analytical skills with an eye for accuracy
- Strong English proficiency; knowledge of any other European language is an asset
- Experience in Excel, SAP, Qlikview and/or OneStream will be considered an asset
- Flexible and self-starting attitude, able to adapt to new situations, roles and geographies quickly

What we promise

You will be receiving a competitive salary including fringe benefits. The candidate will end up in a young and dynamic finance team within the international environment of a US-based company. Occasional travel may be required.
