Jobsite durable, and dependable every day
BMP®41 Label Printer

Want added durability in an industrial design? Get the **BMP®41 Label Printer**. Reliable for your most detailed work and rugged enough to use every day, it's a must-have for datacom and electrical professionals. Create and print labels on-the-spot with its QWERTY keypad, or in batches at the office with Brady Workstation software. This printer can help you power through work faster, too, with its programmed pre-set label options for wire marking, flagging and patch panel ID. The BMP41 is ready for it all, every day. It's that dependable.

- **Speed** — Prints 1.3 inches per second at 300 dpi
