Floor Marking

DURABLE FLOOR MARKING TAPE

TOUGHSTRIPE®
Floor Marking

Adhesion Rate on Different Floor Type

Silica Grit	Aluminum Oxide Grit	Garnet Grit	Particulate Epoxy	Large Diamond Metal	Small Diamond Metal	Hexagonal Metal	Smooth Epoxy	Ceramic Tile	Linoleum Tile	Flecked Urethane	Solid Urethane	Concrete
Low Adhesion				Moderate Adhesion				Strong Adhesion				

Superior Durability

Spend less time replacing damaged or worn lines for a better-looking, more efficient facility

- Withstands forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches from skids, pallet jacks, etc.
- Made from rugged polyester with ultra-aggressive adhesive

Easy Application

Quickly lay down smooth, straight lines – without the help of coworkers

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

* For maximum performance, apply ToughStripe Floor Marking products to flat, non-coated concrete.

High Visibility

Get the same visibility of painted floor markings – and pay less

- High-gloss surface shines like new paint
- Low profile design minimizes debris buildup along the edges that occurs with thicker floor tapes
- Surface resists marks and smudges
- Available in a variety of high-impact colors
- Custom colors available

Diecut Shapes

Utilize different shapes, colors and sizes for more effective, durable floor markings

- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Longer lasting markings – minimizes the risk of damage and facilitates fast repair

Pre-Spaced Shapes

Expedite installation and repair time

- Dots, arrows and dashes are packaged in rolls (not individually) and evenly spaced 18" apart on a continuous liner
- Quick and easy one-person installation; simply lay down the line like a continuous tape, and then remove the clear transfer tape from the top of the floor markings
- Eliminates the need to apply markings one by one
- Ideal for high traffic areas – replace only the damaged shape

Painless Removal

Easily remove floor markings without damaging the floor or leaving adhesive residue

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor

Use ToughStripe® Floor Marking products to mark:

- Aisleways and traffic lanes
- Material storage areas
- "Keep clear" zones
- Work Cell outlines
- QA inspection areas
- Hazard areas
- Equipment storage areas
- Defects/scrap/rework areas
- Egress paths

MATERIALS

FLOOR MARKING
POLYESTER

Floor Marking Tape (B-514)

- Exceeds safety standards for clean, dry non-slip surfaces per ANSI A1264.2-2006 and OSHA 1910.22
- 2 mil thickness
- Resists harsh chemicals
- Service temperature range of 0°F – 129°F
- Custom colors available
